Since 1989 private lenders have entrusted us with over 15 million dollars. We've made every payment on time, every time. —Bill Syrios

Stewardship Trust Deed Loans: 9% Interest-Only, 10K Minimum, 30-Day Call

A Stewardship Trust Deed Loan is secured by a trust deed on a specific piece of property and by Bill Syrios' personal guarantee. This means your loan will be backed not only by real estate collateral but by all the holdings of the Stewardship Group of Companies. These resources include a portfolio of over 300 houses and apartment units in Oregon, 200 housing units in the Kansas City area and 75 units in Dallas, Texas. This real estate has approximately \$15 million in equity. Bill's financials are available upon request.

My name is Gordan Gallic and my firm is Gallic Financial (gallicfinancial.com). I have been a private money lender since 1991....

I have known Bill for over 18 years and have never had a negative interaction either professionally or personally. I have funded over 75 real estate loans to him over the last 18 years (over 5 million dollars). Most of the loans have been retired, but we still have several on our books. There has never been one late payment, property tax arrearage or insurance issue with any of his loans. —Gordon Gallic, March 24, 2011
